

EUROPEAN CONVENTION FOR ENGINEERING DEANS

LEUVEN • 26-28 MAY 2019

The objective of the ECED conventions is to bring together deans, presidents and directors from leading engineering institutions in Europe for in-depth discussion on contemporary challenges involved with engineering education. Over the past editions, the annual ECED conventions were attended by around 100 participants from all over Europe.

ECED 2019 is organised by SEFI - European Society of Engineering Education and by the three Engineering Faculties of KU Leuven. This year's convention will center on the topic of University-Business Cooperation:

“Challenges in University-Business Cooperation: Crossing borders”

Keynote speakers confirmed:

- **Professor Todd Davey**, Director of University Industry Interaction Network
- **Saskia Van Uffelen**, Digital Champion Belgium and former CEO of Ericsson Belux

Interactive break-out sessions' sub-themes:

- THEME 1. Towards a meaningful student experience
- THEME 2. Career mobility of faculty staff
- THEME 3. Career mobility of business professionals
- THEME 4. The role of an academic PhD
- THEME 5. The engineering curriculum in co-creation
