## XR CAMPUS: VIRTUAL REALITY FOR INSTANT COLLABORATION, SHARED UNDERSTANDING AND FOCUS

University Staff Event

The XR Campus is ECIU University in virtual reality. The Virtual Campus is a huge milestone for the European educational community as it provides instant collaboration opportunities throughout Europe. Learners, teachers, researchers, and societal actors can access the Campus anywhere and anytime to immerse in interaction and co-creation fully. The ECIU challenges can be solved together, and the VR environment offers all kinds of opportunities for skills and competence development.

# To consider

- The future of national and European level platforms and digitalisation in general?
- Where is the future leadership of higher education development?

The ECIU University is an EU-funded initiative that creates a groundbreaking and innovative educational model on a European scale.
